Washtenaw Community College – AA in Secondary Education Eastern Michigan University – BA or BS in a Secondary Education Major

Washtenaw Community College Courses: **Transfers to Eastern Michigan University as:** Michigan Transfer Agreement (MTA) Requirements (30 credits) Students with the MTA endorsement on their community college transcript have satisfied EMU's General Education Core Requirements and will be required to complete only the EMU General Education Application Requirements of one Perspectives on a Diverse World course, one Learning beyond the Classroom experience, and one Writing Intensive course in the major. Specific courses listed below for the MTA will satisfy major or minor requirements at WCC and/or EMU. Students who started before Fall 2014 may continue to follow the MACRAO Agreement until the end of summer 2019. For courses approved by WCC to satisfy the MTA go to http://www.wccnet.edu/services/transferresources/mta/ 1. A course in English Composition ¹ENG 111 Composition I4 WRTG 121 Composition II: Researching Public Exp......4 2. A second course in English Composition or Communication 3. Sign up with us: If you let us know you are using this articulation agreement we can stay in touch with you and provide information and advising to you while you are still at your community college. Sign up at: http://www.emich.edu/ccr/articulation-agreements/signup.php

^{*}Required for EMU's Secondary Education program.

¹ Admission requirement, with a grade of "C" or higher.

² Satisfies EMU's Perspectives on a Diverse World requirement.

³There may not be enough transferable courses in some majors or minors to complete WCC's program. Students may take major/minor courses at EMU and transfer them back to WCC in order to complete an Associate degree.

Washtenaw Community College – AA in Secondary Education Eastern Michigan University – BA or BS in a Secondary Education Major

Completion of Secondary Education Program at EMU

Admission to Phase 1 of the Initial Teacher Preparation Program

Students with a community college GPA of 3.0 or higher, who have completed at least 56 transferable credits and have a minimum math sub-score of 530 on the SAT (if taken after March1, 2016) or a minimum of 480 on the evidence-based reading and writing portion of the SAT can apply directly to Phase 1. Students without a 3.0 or higher must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major. The courses listed below for the major or minor may be used for this purpose.

Remaining Major/minor Requirements (30 - 47 credits)

For information on approved secondary education majors and minors go to: http://catalog.emich.edu/

Approximate Credits to Graduate: Satisfies EMU's Learning Beyond the Classroom requirement.	124-142

WCC Courses That Transfer for Secondary Education Majors and Minors

These courses may be used to satisfy electives in WCC's Secondary Education program. Although all of the courses listed below will transfer to EMU, students should select carefully so that they will be able to meet the minimum requirements at EMU. A minimum of 60 credits toward the program total must be completed at the four-year college level; and at least 9 hours in a major and 6 hours in a minor, both at the 300/400 level, must be completed at EMU. Majors include a minimum of 30 credits and minors a minimum of 20 credits. For information on secondary education majors/minors go to: http://catalog.emich.edu/

^{*} may be completed for minor.

¹ required support course or prerequisite for the major

Washtenaw Community College – AA in Secondary Education Eastern Michigan University – BA or BS in a Secondary Education Major

Additional Information:

- 1. Each institution will determine the satisfaction of their individual program and degree requirements. Both institutions agree to accept transferable courses from each other and from other regionally accredited institutions. WCC courses indicated with an * are required for EMU's Secondary Education Program. Substitutions for these courses must be approved by the EMU program coordinator.
- 2. Students with the MTA endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one "Perspectives on a Diverse World" course, one "Learning Beyond the Classroom" (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred to EMU.
 - To use the Michigan Transfer Agreement (MTA), students must have an official community college transcript with the "MTA Satisfied" endorsement sent to EMU's Admissions Office. Students who do not have "MTA Satisfied" on their community college transcript will be required to satisfy EMU's general education requirements as applied to transfer students. The MTA may be completed after admission to EMU, however, students should inform their advisors or they may be advised to complete additional courses for the general education program. Students who enrolled in college prior to fall semester 2013 will have until the end of summer semester 2019 to complete the MACRAO agreement. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019.
- 3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
- 4. A minimum of 60 semester hours must be completed at the four-year college/university level. At least 9 hours in the major and 6 hours in the minor at the 300- level or above must be completed at EMU. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
- 5. Criteria for admission to the program:
 - Completion of 56 credits with a cumulative grade point average (GPA) of 3.0 or higher from all previous institutions, or an EMU GPA of 2.5, based on at least 12 EMU credits, and a GPA of 2.5 in the major.
 - A grade of "C" or higher in the following EMU or equivalent courses: WRTG 121, CTAC 124, a QR course, one lab science, and all of the professional education courses. (PSY 101 required for Special Education)
 - Official scores from the general SAT (if taken after March 1, 2016) with either a math minimum sub-score of 530 or Evidenced-Based Reading and Writing minimum sub-score of 480. Scores from the MTTC Basic Skills Test, Professional Readiness Exam, ACT, or Michigan Merit Exam may be used as well.
 - ICHAT criminal background check, and Statement of Civil/Criminal Convictions.
 - Attendance at Group Advising Session required.
- 6. Students are required to attend an EMU Secondary Education group advising session before completing an admission application to EMU. To facilitate the evaluation of transcripts, students should include a copy of this articulation guide in their application for admission and bring a copy of the articulation guide to the group advising session and all individual advising sessions at EMU.

Effective Dates: January 1, 2018 until January 1, 2021.

This is a renewal of an agreement made in April 2003 and renewed in September of 2007 and 2011. This agreement is consistent with the 2017-2018 catalog. Students have until summer 2025 to graduate from Eastern Michigan University following this agreement. In the event that a student does not complete the program within seven years they may be required to have their credits reevaluated using the requirements of the current articulation guide.

Contacts:

Washtenaw Community College Counseling SC 206, 734-677-5102 Eastern Michigan University
Education Advising Center
206 Porter Building, 734.487.1416
Schedule a group or individual advising session and the link below: http://www.emich.edu/coe/students/undergraduates/advising.php

ALERT!

Students who begin college in September 2014 must follow the Michigan Transfer Agreement (MTA) requirements rather than the MACRAO requirements listed here. New MTA articulation guides will be posted to the EMU Community College Relations website soon. In the meantime, please see a community college counselor for more information about the MTA or look for more information at http://www.macrao.org/mcm.asp?floor=4

^{*}MTH 160, 176, 181 or 182 should be completed at WCC to satisfy EMU's quantitative reasoning requirement. If completed at EMU, MATH 110 is required, unless waived by ACT/SAT math placement score. MTH 125 may also be used, but be sure you will have enough math/science credits to satisfy the minimum of 8 credits in this category.

² Satisfies EMU's Perspectives on a Diverse World requirement.

³There may not be enough transferable courses in some majors or minors to complete the program at WCC. Students may take major/minor courses at EMU and transfer them back to WCC in order to complete the Associate degree.

EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

September 2011

Washtenaw Community College – Associate in Arts in Secondary Education Eastern Michigan University – Bachelor of Science in Secondary Education

Completion of Secondary Education Program at EMU

First Semester at EMU

Students with a community college GPA of 3.0 or higher, who have completed at least 56 transferable credits and have passed the Professional Readiness Examination may apply for admission to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an overall GPA of 2.5 and a GPA of 2.5 in the major.

Remaining Major/minor Requirements (36-60 credits)

WCC Courses That Transfer for Secondary Education Majors and Minors

These courses may be used to satisfy electives in WCC's Secondary Education program. Although all of the courses listed below will transfer to EMU, students should select carefully so that they will be able to meet the minimum requirements at EMU. A minimum of 60 credits toward the program total must be completed at the four-year college level; and at least 9 hours in a major and 6 hours in a minor, both at the 300/400 level, must be completed at EMU. Majors include a minimum of 30 credits and minors a minimum of 20 credits. For information on secondary education majors/minors go to: http://www.emich.edu/coe/students/undergraduate/types/secondary.html

Health, and Physical Education	

^{*} may be completed for minor.

¹ required support course or prerequisite for the major

EASTERN MICHIGAN UNIVERSITY ARTICULATION GUIDE

September 2011

Washtenaw Community College – Associate in Arts in Secondary Education Eastern Michigan University – Bachelor of Science in Secondary Education

Additional Information:

- 1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisers (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. WCC courses indicated with an * are required for EMU's Bachelor of Business Administration Program.
- 2. Students whose transcripts are endorsed as "MACRAO Satisfied" will only be required to meet EMU's three general education requirements, noted on the articulation guide and listed below. These requirements may be completed at the most appropriate time for the student, whether before or after enrollment at EMU:
 - a) An approved course in Quantitative Reasoning: [at WCC: MATH 125,160,176,180,181, 182,191] or [at EMU: MATH 110; or if intermediate algebra has been completed with a "C" or higher, MATH 105, 118, 120, 170, COSC 106, PHIL 181, PLSC 210, SOCL 250, or STS 224]
 - b) An approved course in Perspectives on a Diverse World: [at WCC: <u>Humanities:</u> ART 143, 150; COM 225; DAN 180; ENG 181, 213, 214, 224, 242, 281; HUM 145, 150, 175; <u>Social Science:</u> ANT 201; ECO 280; GEO 101; HST 123, 150, 230, 235, 240, 270; PLS 211; PSY 107; SOC 205]
 - c) One Learning Beyond the Classroom course or experience offered by EMU: [EDUC 492 at EMU] To use MACRAO, students must request that an official community college transcript, with the "MACRAO Satisfied" stamp, be sent to EMU's Admissions Office. Students, who do not have "MACRAO Satisfied" on their community college transcript, will be required to satisfy EMU's general education requirements as listed in the Undergraduate Catalog. The MACRAO stamp may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete MACRAO, or they may be advised to complete additional courses for the general education program.
- 3. Only courses with a grade of "C" or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.
- 4. A minimum of 60 semester hours must be completed at the four-year college level, 30 hours of which must be completed at EMU, with at least 9 hours in the major and 6 hours in the minor at the 300- level or higher. Of the last 30 semester hours prior to graduation, at least 10 hours must be completed in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation.
- 5. Students with a community college grade point average (GPA) of 3.0 or higher, who have completed at least 56 transferable credits, and have passed the Professional Readiness Examination may apply directly to the Teacher Preparation Program. Students who do not meet these requirements must complete at least 12 credits at EMU to establish an EMU (GPA) of 2.5 and a GPA of 2.5 in the major. Other admission criteria include: satisfactory health status, satisfactory social and emotional adjustment, submission of an autobiography, and freedom from any kind of probation.
- 6. Students are encouraged to attend an EMU Secondary Education group advising session before completing an admission application to EMU. To facilitate the evaluation of transcripts, students should include a copy of this articulation guide in their application for admission and bring a copy of the articulation guide to the group advising session and all individual advising sessions at EMU.

Effective Dates: September 1, 2011 until August 31, 2014.

This is a renewal of an agreement made in April 2003 and renewed in September 2007. Students who began this program prior to the new effective date are encouraged to change to this guide. If this agreement is not renewed at the end of the effective period, students who already started the program will be given three additional years to be admitted to EMU under the terms of this agreement.
